Ours Wine

We do not impose any wine and do not charge a corkage fee.

Château Saint Laurent spans 50 hectares, 30 of which are organically farmed. Through our wines, we seek elegance and simplicity. Our rosé is fresh, fruity, and perfectly balanced. The white wine, 100% Viognier, charms with its exotic aromas, liveliness, and saline finish. The red wine offers a juicy palate, silky tannins, and a subtle toasted note.

- ROSÉ – IGP Méditerranée Light, aromatic, and fresh
- White – IGP Méditerranée Citrus and white flower notes

Wedding price (incl. tax): 120€ PER CASE OF 12 bottles
